

09/03/2020

Dear Patients:

It is with mixed emotions that I am announcing my retirement from active practice effective **October 9, 2020**. It has been a great pleasure providing for your health care needs over the years, and it is not easy for me to give it up. Rather than clinical practice, I will be focusing on the research needs of our community and have a full-time research scientist opportunity.

As of **October 12, 2020**, Dr. Marc Tribble will be working with Resource Center on a contractual basis. I am pleased that you have the opportunity to choose him as your physician. Dr. Tribble is a respected member of the Dallas LGBTQ community I've known for many years. He completed his residency at UTMB-Galveston and fellowship at UTSW-Dallas. I am glad to have left my patients in his capable hands. Of course, you may seek medical care from another doctor if you like. If you choose to do so, I recommend looking for a new physician as soon as possible.

Your medical records are confidential, and a copy can be transferred to another doctor or released to you or another person you designate only through your permission. If you choose to see a different physician, please let us know so we may transfer your records to your new doctor. Until then, your records will remain on file at Resource Center. Our staff is here to assist you.

I have greatly valued our relationship and thank you for your loyalty and friendship. Best wishes for your future health.

Sincerely,

A handwritten signature in black ink that reads "Gene W. Voskuhl". The signature is written in a cursive style with a long, sweeping tail on the final letter.

Gene W Voskuhl, MD
