

VOLUNTEER

Volunteering at Resource Center makes a difference in our community. The energy, skills, and time donated by our volunteers are a valued resource.

Each year, more than 1,200 dedicated volunteers help Resource Center serve the lesbian, gay, bisexual, transgender, and queer/questioning (LGBTQ) and HIV communities in North Texas. Volunteers serve hot meals, answer telephones, stock shelves, and help at fundraising events. The Center has volunteer opportunities for individuals, as well as community, corporate, church and school groups. Our volunteer coordinator can work with you to organize a volunteer project that fits your group's needs.
